The replacement brake components referenced below, submitted by:

**Brake Parts, Inc. – Affinia Global Brake and Chassis**

4400 Prime Parkway

McHenry, IL 60050

have successfully completed D<sup>3</sup>EA<sup>®</sup> PPSV<sup>®</sup> Certification testing on the part numbers and applications shown. PPSV<sup>®</sup> Certified replacement brake friction parts are validated in matched sets (front brake and rear brakes are tested simultaneously, emulating the vehicle braking system) and meet or exceed performance requirements based on Federal Standards for new vehicles.
